HARRISBURG, PENNA.:

1919

DEPARTMENT OF AGRICULTURE

December 19, 1918.

Honorable Charles E. Patton,
Secretary of Agriculture,
Harrisburg, Pennsylvania.

Dear Mr. Secretary:

I am transmitting the attached data in the form of a Directory of Stallions and Jacks, registered with the State Livestock Sanitary Board and licensed, under the Act of June 3, 1911, for breeding service during 1918.

The material has been compiled with the view of handy reference and will be of interest and profit to stallion owners and prospective breeders, as many of the stallions listed will continue in service during 1919.

I, therefore, recommend that the data be published as a bulletin of the Department of Agriculture and distributed to stallion owners and breeders.

Respectfully yours,

T. E. MUNCE,
Acting State Veterinarian.
